## 2023 BUSINESS PERSONAL PROPERTY ASSESSMENTS

CARROLL COUNTY, INDIANA – February 21, 2023– The Assessor’s Office will be mailing the 2023 business personal property forms (Form 102s, 103s) on Wednesday, March 1, 2023. Forms are only mailed to business and farm owners who continue to use the county forms and do not have an accountant prepare them.

Beginning in 2023, those business/farm owners that previously reported having under \$80,000 in taxable assets (total cost in column A or C) are no longer required to file a return. Places of worship also no longer have to file. These taxpayers will NOT receive a form from us this month.

As always, we will have forms available in the office and are happy to generate a form upon request. Not receiving a form in the mail DOES NOT excuse a business owner from filing any required paperwork. Check your records, contact your accountant, or contact the Assessor’s Office if you feel like you should have received a form. Forms are due to the Assessor by May 15, 2023 and there are monetary penalties for filing late.

Please contact the Assessor’s Office if you have any questions or visit the DLGF website at the address below for more information as well as the statewide personal property online filing tool, PPOP-IN.
